

Leading a Mentally Healthy School

Suitable for Senior Leaders in all sectors

Leading a Mentally Healthy School training modules have been funded by Health Education England and created by the School Development Support Agency in partnership with educational psychologists, education consultants and mental health organisations.

Leading a Mentally Healthy School aims:

- To enable and empower senior leaders to put mental health at the heart of strategic school improvement.
- To equip senior leaders with practical and sustainable approaches that can be implemented on return to school.

This course is about LEADERSHIP of a mentally healthy school.

Module 1: Ethos, culture and strategic leadership

What is mental health?

Why have a whole school approach to mental health?

The importance of ethos and culture

Strategic planning

Module 2: Policies and procedures for impact
