CONTEXT OF SCHOOL

Bridgewater Primary School is on the outskirts of Salford in the middle of a large council estate. There are some private houses but the majority of children live in council owned accommodation. There is an above-average proportion of pupils eligible for the pupil premium. Most pupils are White British with English as their home language. The proportion of pupils at an early stage of learning English is increasing, however we are still considerably below NA % of children from minority ethnic groups and with EAL. The proportion of pupils with SEN is above average with a large majority having a speech and language need. Children with an EHCP are below national average.
