PARTICULAR AREA OF EXPERTISE

Curriculum and assessment development (development of curriculum leaders)

HOW HAVE YOU SUPPORTED OTHER SCHOOLS OR MIDDLE LEADERS AND SENIOR LEADERS IN YOUR OWN SCHOOL?

I have developed the roles of subject leaders to manage, support and improve the subject knowledge of teachers throughout the school. I have supported middle leaders to develop leadership skills and abilities.

Last academic year I was appointed as a KS2 moderator for the LA, I have carried out moderation for year 6 writing in a range of schools and also offered writing guidelines and professional discussions at 2 cluster meetings during the year. Additionally I am a writing moderator for our school cluster (8 schools).

My role in school this year has been to lead KS2 the main focus of this work was to develop teaching and learning and more specifically to work with teachers to develop their expertise, planning and overall consistency across year groups and KS2.

WHAT WAS THE IMPACT OF THIS SUPPORT?

Subject leaders/ teams are confident in leading their subjects. Progression across the curriculum is evident and monitoring is consistent. Sharing good practice is embedded into the schools ethos. Phase/ year group leaders are now able to identify and monitor key priorities effectively.
